Official Notice

The Sauk River Watershed District is seeking seasonal staff for the Sauk Lake Weed Harvester Project. The work may be very intermittent from May through the end of June. We are looking for at least two people for the crew and at least one must have a CDL or Class A driver's license. Wage dependent on qualifications and must be physically able to lift 75 lbs. Mechanical aptitude helpful. Call 320-352-2231 ask for Holly for more details. Workers needed as soon as possible.
